CARRIED

Enjoyed the chocolates – thank you.

GENERAL BUSINESS Takings for the Antique Fair \$7561 was down on last year.

But still a very successful weekend. Stall holders were sending customers to us at the front desk for cash and when we had it we gave but it wasn't a given.

The Farmers Market had a problem with dogs in the hall. This is not allowed (only service dogs).Shoneen will print another notice.

Sue read a proposal for the new Medical Centre.

Moved Sue seconded Judith that Judith forward this proposal to Western Bay of Plenty Council

CARRIED

Ayla has made arrangements for the trampaline to be moved.

It was mooted that Victoria Lemon may want to use the Large Meeting Room for her exercise classes as the gym was flooded during our last storm. Apparently her area is a quick fix so it is not needed.

Mary from badminton spoke to us about the group. There is a mixed group playing badminton – they go for about 2 hours.

The subject of the floor came up and Mary showed the committee a sample of the coating which could be applied to our existing floor.

As this is a community space it has to be suitable for all hall users.

Mary will follow this up.

Doreen from pickle ball asked whether new lines could be put down for pickle ball. This also to be followed up.

Kevin from indoor bowls said that the bowlers found the floor uneven in parts so following up on what we can do would also help them.

.

Next meeting Monday March 2nd 2026 4pm

There being no further business the meeting closed at 5.25pm.

Thank you Everyone.
