GENERAL BUSINESS

The hall passages have been painted and look amazing. Very fresh and clean. The main hall area will be completed as the painters can fit it in between the hall users.

It has been difficult to source new hand basins to fit into the existing bench tops. After discussion the meeting decided to replace the whole unit in both the men's and ladies toilets.

Marilyn Roberts asked if there was space in the Community Centre to store historical memorabilia – sorry we just don't have the space.
The Fair poster needs some changes – Niria will ask her daughter.
There was discussion re solar panels for the roof of the Community Centre and where the money might come from.
Judith to organize roster for the Fair.

Next meeting Monday 2nd November 2026 at 4pm.

There being no further business the meeting closed at 4.50pm.

Thank you Everyone.
